

# Safety Policy Statement

The EBOP Business and Leisure Show is committed to achieving a high standard of Workplace Health and Safety at all The EBOP Business and Leisure Show sites. The commitment to health and safety is our moral and legal obligation and is of the utmost importance in the operations of our business.

We aim to achieve zero workplace incidents and accidents at all our operations.

## **“No Activity Shall be Attempted Unless it Can be Done Safely”**

We will achieve these high standards with enthusiastic involvement of all The EBOP Business and Leisure Show staff members and management by:

- Clear and visible leadership at all levels.
- Involvement in all facets of health and safety.
- Regular hazard and risk surveillance of their respective jobs.
- Reporting and investigation of near misses, accidents and incidents.
- Awareness of personnel's due diligence.
- Safety Management Plan to be communicated and a copy given to all if required.
- Aim to achieve compliance to the site regulations, statutory acts and associated regulations, applicable site and New Zealand Standards.
- Supply of any required resources that will implement, maintain and improve OHS, which includes, but is not limited to, human, technology and financial resources.

This policy statement shall be displayed at all The EBOP Business and Leisure Show workplaces. We will review this policy periodically so it remains relevant to the needs of The EBOP Business and Leisure Show. This policy is to be communicated to all staff, contractors/sub-contractors, suppliers and visitors on all project sites.

The Committee endorses this policy to confirm his personal commitment in maintaining a high level of safety in all aspects of work for all employees and the public
